

How About Being an RSVP Supporter?

As you may know RSVP received less grant funding this year and we are looking for creative ways to make up the difference. One idea is to invite our volunteers (with family and friends as well) to be **RSVP Supporters**. If you'd like to be part of this group please send us a donation and you will be listed in our next newsletter. If this is a successful fundraiser then we will continue it throughout the year. No distinction will be made based on amount of the donation and no amount is too small. Lots of small donations will translate into helping us make up the funding loss. Whatever amount you give is fully tax-deductible and will be put into our "**Community Campaign**" Fund. Checks may be made payable to: Senior Volunteer Services and our Federal Tax ID is 77-0433542. If you have **any questions** please give us a call at 544-8740.

Remember: another way to support RSVP is to designate us as your Charity of Choice at Ralphs and Scolari's - we've just been notified that another check for \$28.97 is coming our way from Ralphs. No need to be an RSVP volunteer to help us through these programs - anyone who uses these grocery rewards cards can designate us. It's a win-win - both you and RSVP are rewarded! Contact the RSVP office at 544-8740 for further information.

YOU CAN HELP
SAVE THE
PLANET!

Join RSVP and a global movement to "GO GREEN" and help save our planet. Together we CAN truly make a real difference.

We invite all our volunteers and station sites to make a community effort by doing the following: ask us to E-mail the quarterly newsletter to you AND submit your timesheets via e-mail or call us at 544-8740 to report hours.

Please help us promote the "Go Green" campaign to other volunteers and community members. Future generations depend on our success! Thank you.
